**Subject:** RE: Bike-Ped Committee

Christine --

The technical members of BPAC are generally not present at meetings. I have a mailing list for BPAC that includes staff from various agencies, and agencies do not specifically appoint a person to represent them at the BPAC. We will probably be restructuring BPAC membership once the MPO apportionment plan is approved, and I'm waiting until that time to figure out how the BPAC should be restructured. At that point, we probably will have a mix of citizens and technical staff on the committee, and we'll ask that agencies appoint a representative to BPAC (and we'll rewrite the By-Laws too).

In other news, I have had a County appointee resign from BPAC. Sarah Owen resigned because she moved to St. Augustine. I do have a couple people who are interested in being on the committee, and I'm getting applications from them, hopefully. Do you have any applications from people interested in BPAC? One of the people is an FSU student and another is a citizen who regularly attends BPAC meetings. Of course, we're always looking for more women on the committee and persons who represent the diversity of our population here in Leon County.

Please let me know how you'd like to proceed with appointing a member to replace Sarah. With the new jurisdictions that we're adding to the MPO subcommittees, we're having those jurisdictions appoint the members and just let us know.

Thanks!  
Jennifer
